

The image displays a collection of 12 productivity and brainstorming templates, organized into a grid. Each template is designed to facilitate creative thinking and problem-solving. The templates include: 1. Brainstorm & Idea Prioritization: A template for generating and prioritizing ideas, featuring a grid for listing ideas and a section for prioritization. 2. Define your problem statement: A template for defining a problem statement, including a section for the problem statement and a section for the solution. 3. Brainstorm: A template for brainstorming ideas, featuring a grid for listing ideas and a section for prioritization. 4. Group Ideas: A template for grouping ideas, featuring a grid for listing ideas and a section for grouping. 5. Prioritize: A template for prioritizing ideas, featuring a grid for listing ideas and a section for prioritization. 6. After you collaborate: A template for collaborating on ideas, featuring a grid for listing ideas and a section for collaboration. The templates are designed to be used in a variety of ways, including as a guide for a workshop, a template for a meeting, or a template for a project. Each template includes instructions, icons, and sample content to help users get started.
